

## Sweet Old Blade - SKL Music 2023 ( Slow Blues Shuffle )

V1

I know a woman  
She goes by 3 names  
Heaven, Joy and Sugar Cain  
She's got a sweet old blade  
If you don't play nice  
And guessing her mood people  
Is just a rolling of the dice  
You better heed my warning  
You better keep checking your tea  
Cause the only name I got for you girl  
Is Miss Sweet Misery

V2

She's still got a wing of mine  
In her big old web  
Took old judge Sam for a ride  
Burnt his house red  
A queen of broken hearts  
A full time wrecking ball  
Want to loose everything you have ?  
Then just give 3 names a call  
You better heed my warning  
You better keep checking your tea  
Cause the only name I got for you girl  
Is Miss Sweet Misery

V3

Old Joe called her a sweet old blade  
Use to like to watch her bake  
Always in the shadows  
A veteran cop on the take  
Now she liked his security  
And he liked her service specialities  
Until one morning, they found him people  
Floating out to sea  
You better heed my warning  
You better keep checking your tea  
Cause the only name I got for you girl  
Is Miss Sweet Misery
